The “Win The Battle!” Foundation is a 501(c)(3), non-profit organization that offers support and resources to children and adolescents who have fought or are fighting cancer or other debilitating diseases, in addition to the families who have fought the battle along with them. The foundation specifically targets those kids who are or were athletes while fighting their “battles”. Whether a competitive or recreational participant or an ardent fan, we believe that sports and athletics play a vital role in the healing process, as well as provide outstanding networking opportunities for support.
